Sandfields youth to help Belarus

Help in fighting the drugs menace will go from Wales to Gomel in Belarus later this year.

West Glamorgan Council on Alcohol and Drug Abuse is to join forces with Neath Port Talbot Council's youth inclusion team to take a 7.5 tonne lorry full of supplies there.

Colin Lloyd, who works for WGCADA, regularly attends the Cyber Café in Sandfields, Port Talbot to offer advice to young people on drug and alcohol misuse. His expertise in fighting drugs will provide useful advice to the children of Gomel.

Mike Gilbert and Ray Robinson of the council's youth inclusion programme will lead a group of 12 young people from the cyber café who are traveling by minibus to help on the mercy mission.
